Dear Mr. Motoyama:

“Narcotics Anonymous is a society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean.”

By tradition, Narcotics Anonymous does not advertise or promote; the public often knows very little about us. In the past 28 years here on Oahu and the neighbor islands, we have sponsored banquets attended by anyone and everyone interested in the Addict and how the Narcotics Anonymous program can help.

We invite and welcome you to attend our banquet

**Friday, October 15, 1999
11:30 am Social
12 - 1:30 Lunch and Presentation
Pagoda Hotel
1525 Rycroft Street
Honolulu, Hawaii**

Past banquets have been useful and informative for those in the fields of substance abuse treatment, law enforcement, medicine and social services.

The Narcotics Anonymous fellowship here on Oahu invites you, and/or encourages you to invite colleagues who may benefit from this event.

A member of N. A. will contact you to confirm your attendance. We look forward to sharing this experience with you.

Aloha,
